State Level Seminar on

*FinTech-Changing
Landscape In
Financial
Services*

22nd & 23rd February 2019

Organized by

PIRENS' Institute of Business Management & Administration
(Approved by AICTE, Recognized by Govt. of Maharashtra,
Permanently Affiliated to Savitribai Phule Pune University &
Recognized Under 2(F) & 12(B) of UGC Act 1956)

In Association with

Savitribai Phule Pune University
(Under Quality Improvement Programme)

About Seminar:

As the world of financial technology (FinTech) continues to boom on both domestic and international soil, keeping up with the steady influx of innovation and disruptive thought leadership is a challenge.

According to the PwC Global FinTech Survey, financial services industry respondents fear that they might lose a quarter of their business or more to standalone FinTech companies within five years. FinTech companies, in turn, anticipate they could capture 33% of traditional financial services players' business in the same time frame.

As one of the first gatherings in 2019, the Knowledge Resources FinTech seminar aims to bring together innovators, investors and leaders in the disruptive industry, including those dedicated to banking, investment platforms, insurance, big data, retail, mobile, marketing and payments. The seminar boasts highly regarded industry leaders as keynote presenters to share invaluable insights into the FinTech movement and a wide variety of topical discussions to pique just about anyone's interest.

This seminar is being jointly organized under the aegis of Quality Improvement Programme of Savitribai Phule Pune University, Pune and by the PIRENS Institute of Business Management and Administration, Lonikar Bk.

This Seminar spans over two days. Day 1 of the seminar will focus on the discussions by experts from industry and academicians on Policy and Regulatory Framework of FinTech and day 2 will feature the research paper presentations by academia and researchers.

Don't miss this opportunity to get strategically connected with what's new, what's working and who's making it all happen in FinTech.

Seminar Objectives:

This seminar will explore the different facets of a major disruptors of financial technologies. It will show that FinTech is impacting and changing the world of financial services. Also, it will discuss how it is driving innovation.

Seminar Agenda:

- How FinTech is challenging Financial Market
- Emerging Payment Innovations With FinTech Solutions
- How to develop digital platforms in FinTech
- FinTech for Financial Inclusion
- Riding the FinTech Wave
- Cyber Security in financial transactions

Who should attend?

- Senior Executives (CFOs CIOs and CMOs) in banking, insurance, retail
- Executives of Digital Strategy and Technology
- Executives of Mobile banking
- Executives of Online banking
- Executives of Asset and Wealth management
- Venture Capitalists
- Analysts
- Financial Regulators
- FinTech Investors
- FinTech Entrepreneurs
- Researcher
- Academicians
- Students of Management faculty

Call for Papers:

We invite Academicians, Research Scholars, Students, Entrepreneurs, and Consultants for applied or empirical contributions towards the various perspectives surrounding FinTech in emerging economies. Papers reflecting out-of-the-box thinking would be appreciated and publish in **Pravara Journal of Rural Management and Computer Technology having ISSN Number**. Within this overall theme, the main topics of the conference include, but are not limited to:

1. Evolution of technology in Financial Markets
2. Regulatory Sandboxes for FinTech in India
3. FinTech Revolution to transform the Financial Services including processing of Instant Payments; Open Platforms; Mobile Payments and Wallets

4. FinTech: Drivers of Digital India
5. Challenges of Cyber security in Banking
6. International Payment Security: Ripple
7. Role of FinTech in Financial Inclusion and Financial Integration
8. Risk and Opportunities in FinTech
