Report On Two Days National Level workshop on 'Cloud Computing with AWS Hands On'

Two Days National Level workshop on 'Cloud Computing with AWS Hands On' by using Google meet Platform. Workshop was scheduled from 17/08/2021 to 18/08/2021 at 10.00am to 1.00pm.

Prof.Satish Bidgar Welcomed all participant. After that Dr.N.U.Bankar (Director) addressed the participants and motivated students to acquire the knowledge from this workshop.

Students from various **Parts of Ahmednagar, Nashik, Mumbai, Pune, Kolhapur, Nagpur, Sangli, Satara, Jalgaon** etc. are participated in workshop. Students from Diploma in Engineering, MCA and B.Voc (Software Development) courses are registered for workshop.

Prof.Y.S.Jorvekar conducted 2 days workshop as resource person and covered various aspects with Practical demonstration to students. On the first Day (17/08/2021) of workshop Introduction to Cloud Computing, Introduction to AWS & Hands on EC2. On Day2 (18/08/2021) Introduction & Hands on S3, Cloud Formation. At the end session for clear their doubts and queries were kept. Prof.Satish Bidgar gave Vote of Thanks.

• Registration Summary

Report on Office Automation Training

Office Automation Training was successfully executed at PIRENS IBMA. The extraordinary insights were provided by expert Prof.R.V.Dharmadhikari on the day. He not only instructed and taught the students orally but the trainer believed in giving the practical's to the students on voluntarily basis. The students enjoyed the practical problems to be solved from their places with the help of wireless mouse and the keyboard.

Office Automation program focused on the field of Office Automation involving various Softwares used to carry out routine office works such as MS PowerPoint, MS Word, MS Excel. MS Outlook etc. This training helped students to learn various software related to this field and fundamentals of Office Automation.

Students willing to do Office Work and want a job involving table work were well suited to this training programme.

As per the information given by the trainer, after completing Office Automation training, students can go for jobs in various fields such as in Stock Broking Agencies, MNCs such as HCL, WIPRO, TCS, Govt. Offices etc. as an Office Automation Clerk, Office Automation Technician, Office Automation Analyst, Support Assistant, Secretary (Office Automation) etc.

The students were directly or indirectly benefited by the training programme conducted by the institute and also proved to be beneficial.

Report on Workshop on Android App Development by Sai Info Solutions

Date: 7th September 2019 to 9th September 2019

Venue: PIRENS Institute of Business Management and Administration (PIRENS IBMA)

Sai Info Solutions, a leading technology company specializing in software development and training, organized a comprehensive workshop on Android App Development at PIRENS Institute of Business Management and Administration (PIRENS IBMA) from 7th September 2019 to 9th September 2019. The workshop aimed to provide participants with hands-on experience and knowledge in creating Android applications and understanding the fundamentals of mobile app development.

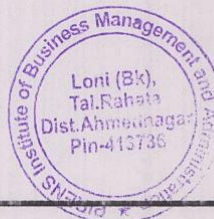

The primary objectives of the Android App Development workshop were as follows:

a. Introduce participants to the Android platform and its ecosystem. b. Teach the basics of Android app development using Java and Android Studio. c. Provide practical guidance in building functional and user-friendly Android applications. d. Foster creativity and problem-solving skills among the participants in the realm of mobile app development. e. Encourage collaboration and networking among the participants and trainers.

Sai Info Solutions provided a team of experienced and knowledgeable trainers for the workshop. The trainers had a profound understanding of Android app development and real-world industry experience, which enabled them to deliver insightful and practical sessions to the participants.

The workshop on Android App Development received an enthusiastic response from students, faculty, and tech enthusiasts from PIRENS IBMA. The group project on the final day of the workshop fostered teamwork and creativity, encouraging participants to apply the knowledge gained throughout the workshop to create a functional Android app.

Overall, the workshop served as a valuable learning experience for the participants, and PIRENS IBMA's collaboration with Sai Info Solutions proved to be a fruitful endeavor in enhancing the technical skills and knowledge of the participants in the area of Android app development.
